ARSLAN ZUBAIR

STUDENT AT UNIVERSITY OF MANAGEMENT AND TECHNOLOGY

INTRODUCTION

Hi, I'm Arslan, a Student at University of Management and Technology. As a dedicated Computer Science student, I have developed a strong foundation in programming, software development, and problem-solving.

WORK EXPERIENCE & PROJECTS

Team Lead | Operations & Order Entry Specialist at Growlatics

May 2025 - Present

- Leading operations with a focus on accurate CRM/ERP order processing, team coordination, and workflow efficiency, while previously handling B2C support and upselling with multilingual communication.

Architecture & Interior Design Services Website

- Built a client-focused WordPress website for architecture, design, and real estate services, with integrated social media promotions and broad accessibility.

Document Sumariser AI Tool

- A Stream-lit app using GPT-3.5 to generate concise summaries of uploaded documents for quick understanding and improved productivity.

Intern Frontend Developer at Magemen IT Services

June 2023 - August 2023

- Developed and deployed a complete portfolio website from scratch using modern frontend technologies including HTML, CSS, and JavaScript
